The column „points“ indicates the results of Day 1, converted in minus points for the jumping event at the beginning of Day 2

The white box above the name indicated the current TRIPLE rank
The minus points are directly calculated in the ski jumping score

Result after jumping

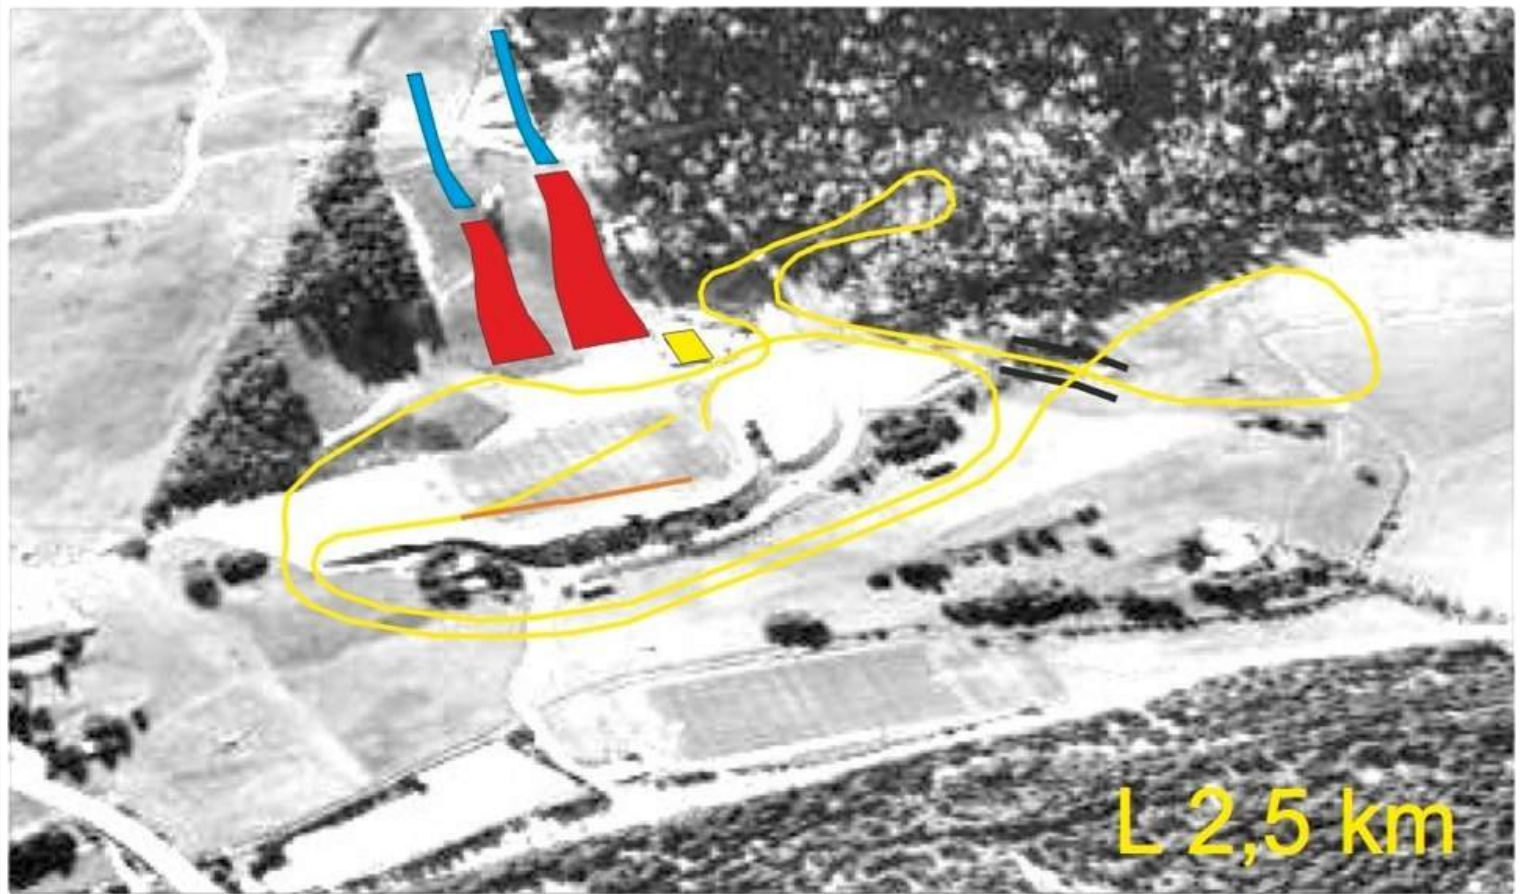

The score shown after the jump is the final score. The minus points from the previous day are already deducted.
In case the athlete takes the lead, the box above his name will turn green (as shown above)
The digits in the box indicate the time advantage he has on the current second-placed athlete for the race.

The Venue

The ski jumping rounds are held on the HS 109 Toni-Seelos-Olympiaschanze

The cross-country races take place on a 2.5 km lap in the Casino Arena Seefeld: 2 laps of 2.5 km on Day 1, 4 laps of 2.5 km on Day 2 and 6 laps of 2.5 km on Day 3)
